DiversityBusiness.com Recognizes MVS with Several Honors

Washington, DC, April 30, 2008 - MVS was recognized by DiversityBusiness.com in three distinct honors: Top 50 Diversity Owned Business in Washington, DC: Top 100 Privately Held Business in Washington, DC: and one of the Top 500 Asian Owned Business in America.

Each year DiversityBusiness.com collects data and compiles the 'Top Business List' on a state and national basis. The data is used to determine the top businesses and the most successful entrepreneurs across the United States.

Launched in 1999, DiversityBusiness, with nearly 50,000 members, is the largest organization of diversity-owned businesses throughout the United States. They provide goods and services to Fortune 1000 companies, government agencies, and institutions of higher education. DiversityBusiness also provides research and data collection services to corporate organizations throughout the country, which has been recognized and published by Forbes Magazine, Business Week and thousands of other print and internet publications.

MVS, Inc., a minority-owned Information Technology company headquartered in Washington, DC, is a leading small business provider of hardware, software and consultant services to federal, state and local government agencies. MVS's team has over 60 years of combined experience in Information Technology services, and its mission is to provide its government clients with leading edge solutions that encompass the latest industry technologies at the best value.
