**MVS, Inc. ranks No. 4467 on the 2010 Inc. 5000  
With Three-Year Sales Growth of 19%**

**NEW YORK, August 24, 2010** -- *Inc.* magazine today ranked MVS no. 4467 on its fourth annual Inc. 5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy—America's independent-minded entrepreneurs.

"The leaders of the companies on this year's Inc. 5000 have figured out how to grow their businesses during the longest recession since the Great Depression," said Inc. president Bob LaPointe. "The 2010 Inc. 5000 showcases a particularly hardy group of entrepreneurs."

MVS, Inc., a minority-owned Information Technology Solutions company headquartered in Washington, DC, is a leading small business provider of hardware, software and consultant services to federal, state and local government agencies. MVS's team has over 60 years of combined experience in Information Technology Services, and its mission is to provide its government clients with leading edge solutions that encompass the latest industry technologies at the best value.

Government Services, the industry MVS was ranked as, was the second-fastest-growing sector in terms of median revenue growth, posting a 202 percent gain over the 2006-2009 measuring period. Over half of these companies are based in Maryland, Virginia, and Washington, D.C. Founded in 1997 by former DC government IT manager Vipin Desai, MVS has spent the last 13 years earning countless accolades and a strong reputation for serving DC, Maryland and Federal government agencies, always staying true its slogan: exceeding expectations.

"On behalf of MVS, we are extremely honored to have been selected to the Inc. 5000 list," said Vipin in a statement. "This recognition is the result of the hard work, effort and enthusiasm of each and every member of our team."

This year's Inc. 5000 employ a record 1.4 million people, up from one million on last year's list. With unemployment remaining stubbornly high, policymakers and business leaders will do well to look to the Inc. 5000 companies for fresh ideas on achieving growth and creating jobs.
