Re-certification of MBE Status
Certification No. 10-6237

Dear Mr. Desai:

Congratulations this letter is to inform you that the Minority Business Development Division (MBDD) has determined that your firm qualifies to participate in the Minority Business Enterprise Program in Prince George's County. Please note that your firm's MBE Certification is based on the company's eligibility criteria established with the Maryland Department of Transportation (MDOT). **As a reminder, your firm's MBE certification status is for one (1) year only.**

Your certification applies only to a specific area or areas of specialty and/or expertise as approved by the MDOT.

The enclosed document identified as Schedule A sets forth the expiration date and areas(s) of specialty and expertise for your firm's certification and whether your firm certifies as a "Prince George's County-Based MBE". Please review Schedule A carefully. Note that MBE certification is not a "pre-qualification" for your firm to do business in the County. To increase your firm's opportunity to obtain a County contract, your company should actively participate in the bidding process.

Thank you for participating in the County's MBE program with the MBDD. We look forward to working with, and serving you again soon.

Sincerely,

Samuel Gaillard
Acting Executive Director
